

Connexion Technologies

Connexion Technologies customizes and manages state of the art communications networks in single-family, multi-family, high-rise, resort and hospitality properties nationwide. Its award-winning networks optimize the communication experience and value of properties

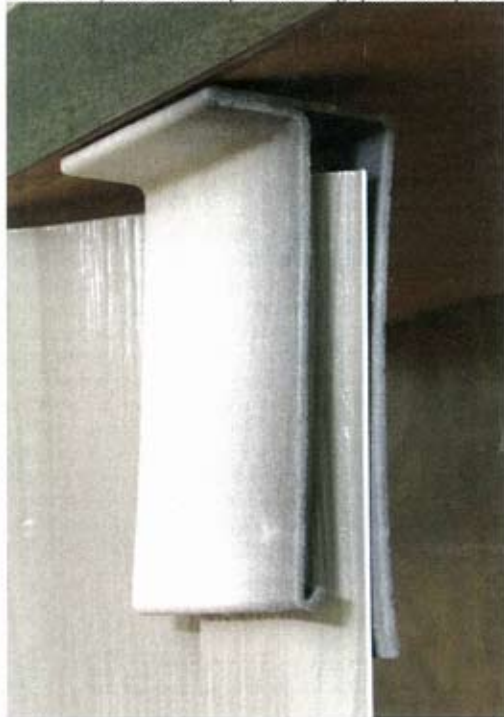

for residents and property owners, creating a better connection. SM Connexion Technologies is not a service provider, rather it selects and manages a portfolio of providers that offer entertainment and communication applications, including the best in enhanced television, telephone, Internet and other services over Connexion's provider-neutral networks. The company is based in Cary, N.C. It was established in 2002 and serves properties in 17 states.

Everlock Systems

Everlock Systems' new top rail skirting system complies

with HUD Code 328. It is installed under the home, which can be easily performed by just one person. According to the company, it costs about the same price as most 2-piece top rail systems. Patent pending.
