

FOR IMMEDIATE RELEASE

## **Connexion Technologies' CFO Featured as an "Industry Innovator"**

Cary, NC (Feb. 17, 2009) – Connexion Technologies announced today the in-flight radio program "Industry Innovators" will feature its CFO, Peter Ley. The show presents one-on-one interviews and compelling profiles of business innovators – from small businesses to large enterprises.

During his interview, Ley will discuss Connexion Technologies' overall business model as well as the value and increased demand for Fiber to the Home networks.

"I'm pleased with the opportunity to be featured on the program, but I am even more excited to explain the benefits of fiber optics to so many people," said Ley.

Ley's interview will air worldwide on the Business and Technology Report during the months of May, September and October on both U.S. Airways and American Airlines. More than 60,000 flights carrying more than 5 million people will feature the piece.

Previous guests include President Jimmy Carter, Donald Trump, Steve Forbes, Charles Schwab, Sumner Redstone, Michael Dell, Leeza Gibbons, Tony Robbins, Suze Orman, Ben Stein and more.

### **About Connexion Technologies**

Connexion Technologies is the country's premier fiber-optic amenity company. It invests its capital to design, build and operate Fiber to the Home (FTTH) networks in single family, multi family, high rise, resort and hospitality properties nationwide. Its award-winning, state-of-the-art networks deliver an unsurpassed technology experience and enable developers to sell units at a greater velocity. By aligning its partners with leading service providers, Connexion Technologies offers the best in enhanced television, telephone, Internet, and security monitoring services. By offering a complete suite of entertainment and communication applications at the speed of light, Connexion Technologies creates *A Better Connection*<sup>SM</sup> with its one-source technology solution. The company is based in Cary, North Carolina. It was established in 2002 and is located in 17 offices throughout the country.
