Connexion Technologies Ranked on Triangle Business Journal's Fast 50

Local publication ranks Connexion Technologies as the region's 29th fastest growing company

Cary, North Carolina, November 12, 2009 – Connexion Technologies was honored with a Fast 50 Award from Triangle Business Journal at an awards dinner held Nov. 5 at the Sheraton Imperial Hotel in Research Triangle Park. Connexion ranked as number twenty-nine on this year's list and is profiled along with other winners in the Nov. 6 issue of Triangle Business Journal.

The annual awards recognize the 50 fastest growing private companies in the Triangle region of North Carolina and honors their entrepreneurial excellence and achievements.

“To rank along side so many other innovative Triangle companies is an honor in and of itself,” said Carter Teague, Connexion Technologies’ EVP of Sales and Corporate Marketing. “We hope to continue to appear on this list in the years to come.”

In October, Connexion Technologies was named by Inc. Magazine as one of the Top 100 fastest growing private companies in the nation.

About Connexion Technologies

Connexion Technologies customizes and manages state of the art communications networks in single-family, multi-family, high-rise, resort and hospitality properties nationwide. Its award-winning networks optimize the communication experience and value of properties for residents and property owners, creating *A Better Connection*.SM Connexion Technologies is not a service provider, rather it selects and manages a portfolio of providers that offer entertainment and communication applications, including the best in enhanced television, telephone, Internet, and other services over Connexion’s provider-neutral networks. The company is based in Cary, North Carolina. It was established in 2002 and serves properties in 28 states. For more information, visit www.connexiontechnologies.net.
